Judi's Gems

Dear Gamma Alpha Sisters,

"I Got a Gal in Kalamazoo" is a big band song from the 40s. The weekend of April 30-May 2 will see many ΔΚΓ gals heading towards Kalamazoo for the annual State Convention. I have gone to Convention every year since I was initiated in 1997. You are able to see and feel the magnitude of the *Society* when you attend ΔΚΓ functions other than your chapter meeting. Come and join us in Kalamazoo-zoo-zoo! Convention Registration materials are included in the newsletter or you can download them at the State website.

March is Reading Month so we have included information about Oprah's Book Club for you on page 8 and a look at the Dr. Seuss stamp.

Service Project Report

Our annual March reading activity with the residents from the Wayne County Family Center is in full swing. The Wayne County Family Center offers both a temporary home and the help families need to make permanent changes in their lives.

Members should meet at Elliott School at 4:30. We need lots of members present to make this a successful project.

When the residents arrive, members will "pick up" a family at the door, escort them to the table. We will provide nametags. Make a nametag for the members of the family.

Chat a few minutes with the residents until dinner. Many of the residents have not had positive school experiences. Perhaps we can build some bridges. Please eat with your family. Dinner will be pizza, salad, chips, cookies and macaroni and cheese. Some finish eating faster than others. Having a teacher at the table seems to calm things down. Helen Mate is in charge of the kitchen crew.

After dinner, we will divide into groups. Teens go the computer room. Joan Murray and Sandy Becher will assist teen residents with computer games. The children's stories were not their "thing" last year.

Elementary and pre-school children will go to the designated classrooms. Members will read to the children, make a bookmark and help them select books. Jackie Smart, Sue Briody and Karen Dodds will be leaders in three classrooms.

Some of you may be brave and take the "wee" tikes for a while so their parents can have a break. Parents will remain in the gym and decorate a canvas bag with fabric pens. Esther Loskowske will be in charge of this activity.

Bring new or gently used books for children and adults. Magazines are welcome, too. The Family Center has requested fresh fruit again, so pick up a bag of "something" that can be donated

Wayne-Westland transportation will provide a bus for the residents. They will be dropped off at Elliott at 5:00 and picked up at 7:00.

Directions to Elliott:

Drive south on Merriman.

Turn left on Parkwood.

(Parkwood is about $\frac{3}{4}$ of a mile south of Cherry Hill Road.)

Stay on Parkwood until you come to a stop sign.

You can see the school from the stop sign.

Turn left on Bennington.

Enter the school at the gym door.

Address:

30800 Bennington

Westland, MI

Legislative Update

Education Insider

A weekly review of progress on the Quality Public Schools Agenda and other Legislation that impacts our students, classrooms, and public education.

February 24, 2004

Secretary Paige, you owe ME an apology. I am the NEA.

On Monday, February 23, the same day President George W. Bush launched the opening salvo in his re-election campaign, his Secretary of Education, Rod Paige, called the National Education Association a "terrorist organization."

These events were no accident or coincidence. Demonizing America's public school teachers and education support professionals has been a longstanding practice of public education's opponents.

In 1996, Senator Bob Dole accepted his presidential nomination saying, "To the teachers unions I say, when I am president, I will disregard your political power, for the sake of the parents, the children, the schools and the nation."

While Secretary Paige has since called NEA

President Reg Weaver and has issued a statement saying he used an "inappropriate choice of words," his behavior cannot be countenanced. Moreover, he continues to inflame the situation, referring to our efforts to improve ESEA/NCLB as "obstructionist scare tactics." He continues to demean our organization; to attempt to drive a wedge between our organization, our members, and the public; and to try to silence any dissent regarding the Administration's misguided education policies.

Is this what George W. Bush meant in 2000 when he said he wanted to come to Washington, D.C. to "change the tone"?

Let Washington know how you feel about being called a terrorist. Send a message today to **President Bush, Secretary Paige**, and your **U.S. Representative and Senators**.

Minutes in a Minute

Minutes for February 18, 2004

Meeting was called to order at 4:40 p.m. at Hayes. Nineteen members were present in addition to State President Judy Foster and Visitation Chairman Lola Wilson.

Judy Foster opened with a welcome from the State and encouraged all to attend the Convention and 75th Diamond Jubilee in July.

Barb Broadley corrected January's minutes regarding the purchasing of a gift certificate. She sent a \$100 gift certificate to Annah and her daughters from Gamma Alpha. You may continue to send cards to the World Fellowship recipient. Her address will be in the hard copy of the newsletter.

Twenty bears were made for the dialysis patients. Turnout was light because of the weather conditions. Those present had a wonderful time and would like to build-a-bear again. We received a thank-you letter from Mott.

Grace delivered blankets to the Family Center in December. She said the Family Center also needs furniture and kitchen items to help families get a start when they find new housing. The Family Center will pick up heavy items.

Slate was presented and accepted for 2004-2006.

Yearbooks were passed out. Jackie is toying with the idea of putting the yearbook on our website.

Alex Murray, son of Joan, is a student at Michigan. He is participating in a 30 hour Dance Marathon March 20-21 in order to raise money and awareness for pediatric rehabilitation programs at C.S. Mott Hospital and William Beaumont Hospital.

Alex needs to raise a minimum of \$250 in contributions. He is asking our support. He provided a letter for us explaining the particulars. If you are interested in assisting Alex in his fundraising goal, send a check payable to:

Last year the winners came to our Birthday Dinner. Meeting ended at 5:25.

Chef Larry Janes cooked and entertained us for the next hour. He prepared risotto, salmon with roasted red pepper sauce, navy bean and tomato salad, apple pecan streusel cake, and a breakfast in a glass shake. The aroma was divine and everything tasted delicious!

Chef Larry shared some shopping tips. Only buy first cold pressed olive oil. Don't buy fish that smells fishy. Mrs. Dash (or a cheaper generic from the Eastern Market) is a great seasoning. He gave us a tip on how to remove the garlic and onion smells from your hands. He said to rub them on your stainless steel faucet. It leeches the scent from your hands. Weird-but effective.

Respectfully Submitted,
Jackie Smart, for Chris Smith

Theodor Seuss Geisel Stamp Announced!

Theodor Geisel will soon be seen on letters everywhere with the launch of the Dr. Seuss 37-cent postage stamp.

The new Ted Geisel Stamp was unveiled by the USPS on October 27th, 2003 at the Dr. Seuss National Memorial in Springfield, MA. The stamp is part of a yearlong "Seussentennial celebration, as Theodor Seuss Geisel would have been 100 on March 2, 2004.

The stamp features some of the children's author's most memorable characters, including the Grinch, the Cat in the Hat and the Grinch (of *Oh Say Can You Say fame*). The stamp will become available nationwide on March 2, 2004.

Chef Larry Janes and Judi Fisher chat after the February meeting. Judi was caught going back for seconds on the salmon and risotto.
