Winter Hugs for Kids

Mr. Steve Dingman spoke to us about the many needs of Methodist Children's Village. The Service Project Committee decided that our first contact with MCV should be a **Winter Hug**. Every child deserves to have the clothing he or she needs to feel warm and safe during the winter season. **You** can provide a warm Winter Hug to these children! Please bring a set of **NEW** hats, mittens/gloves, and scarves suitable for boys to our December 12th meeting. Pick up just one set the next time you're at the store, or collect many! Gamma Alpha will donate our **Winter Hugs** to the boys of the Methodist Children's Village.

Legislative News

Legislation to allow school districts, to create "promise zones" that siphon money from the school aid fund has strong bipartisan support. The money would be diverted into higher education, a state budget area that is funded by the general fund, without any proposed replacement funds for K-12 schools.

The bill would create the Michigan Promise Zone Act. This is loosely modeled after the Kalamazoo Promise scholarship program. This proposal would allow eligible entities with a high percentage of children living at or below the federal poverty level to create zones where students could receive scholarships. Check MEA Votes website for further updates on this and other educational issues.

Teachers are those who use themselves as bridges, over which they invite their students to cross. Then having facilitated their crossing, joyfully collapse, encouraging them to create bridges of their own.

Minutes in a Minute

Gamma Alpha Minutes in a Minute October 17, 2007

The meeting at G. Subu's was called to order at 4:55 by Jackie Smart. 22 members (including 5 initiates) attended.

Joan Murray started of the evening with a session of 'Liar, Liar". Members had a good time discovering interesting facts about each other.

Steve Dingman from Methodist Children's Home presented an interesting and informative video about their Children's Village. Members learned of the history, mission, and current status of the institution. About 300 children and families are dealt with each year. All children have been removed from their homes by Protective Services. One half of these children will have their family's parental rights

severed and will be placed up for adoption. A foster parent program has 50 homes that care for 50 to 70 boys and girls at any given time. The state places 65-70 boys at a time in the residential Village. The residents attend Redford Union Schools and most are about 2-3 years behind their grade level and receive special education services. The Village has a center on campus for students who have been suspended from school. The center runs a 6-week summer program for the residents, as well. The Children's Village budget is \$8.7 million per year. 80% is supplied by the state. The greatest need is for the intangible supply of personal interest shown to the needy residents. Upon questioning, Steve Dingman said that service projects such as a sports day, a craft project, a picnic, donation of books to the library, Christmas stockings, unwrapped gifts, etc. would be much appreciated. The Gamma Alpha

Service Project Committee will decide what activity it will plan for this worthwhile institution.

Jackie Smart had a wonderful power point for the five initiate members. They learned of the history of ΔΚΓ, our mission and purposes, our insignias and our current activities.

Members were reminded to attend the November meeting which is the annual Christmas auction. They were also asked to RSVP in writing to Amy their intentions regarding membership.

Members were reminded that all must bring donated items and guests in order to have a successful event. All proceeds from the auction will be used for the Grant-In-Aid for women studying education. This grant is also available for members seeking further degrees. The meeting was adjourned at 7:10.

Respectfully submitted,
Carol A. Anderson
Recording Secretary

Kitchen Talk

Amy has provided us with some excellent recipes from Heritage Park Inn. Here are two of the recipes.

Chilies Rellenos Casserole

- 2 cups half and half
- 4 eggs
- 2/3 cup of flour
- 6 (4 ounce each) cans of whole green chilies
- 2 cups (16 ounces) of grated Jack cheese
- 12 ounce can of tomato sauce
- 1/2 cup chopped cilantro

Beat half and half with eggs and flour until the mixture is smooth. Split open chilies and rinse away the seeds. Drain chilies on paper towels. Chop chilies. Reserve one cup of grated cheese. In a lightly greased 9x12 pan, make alternate layers of chilies, cheese, and egg mixture. Pour tomato sauce over the top and sprinkle with the reserved cheese.

This recipe can be prepared the night before with the exception of the tomato sauce and reserved cheese. Color with foil and refrigerate. In the morning, remove the foil, pour on the tomato sauce and sprinkle with the reserved cheese. Bring casserole to room temperature before baking. Bake at 375 for 25 minutes if baking in individual ramekins. After removing from the oven, top with a dollop of sour cream and a spoonful of salsa. Garnish with cilantro and chopped black olives.

Orange-Cranberry Scones

- 1 1/2 cups of sour cream
- 1 teaspoon of baking soda
- Zest from one orange
- 2 tablespoons of frozen orange

- concentrate- defrosted
- 2 eggs
- 4 cups all purpose flour
- 1 cup white sugar
- 2 teaspoons of baking powder
- 1/4 teaspoon cream of tartar
- 1 teaspoon salt
- 1 cup butter
- 1 cup dried cranberries

In a small bowl, combine sour cream, baking soda, zest orange concentrate, and eggs. Stir and set aside.

Sift flour, sugar, baking powder, cream of tartar and salt together. Cut in the butter.

In a large bowl, combine all of the ingredients, mix until dry ingredients are just moistened.

Divide into three balls, Knead a few strokes. Then press into a one inch thick patty. Cut each patty into 4 or 6 wedges. Place on a greased sheet or use parchment paper.

Bake 12-15 minutes at 375 degrees. Bottoms should be golden brown. Serve with butter or curd. Alternate forming method: Use an ice cream scoop and scoop mixture onto a greased pan or parchment paper. Yield should be 15-18 scones.

Alpha Iota State Women in the Arts Retreat

The eleventh annual Women in the Arts Retreat took place the Ralph McMullan Conference Center at Higgins Lake at the end of October. The Saturday night theme was Mardi Gras and the participants made masks for skit night. The *Over 60 Sixty and Proud Quartet* (Jackie, Grace, Judi and Lynne) sang a parody of "My Favorite Things" for skit night. We may even resurrect our act for the Birthday Luncheon!

President's Message

Judi, Lynne, Grace and I attended the "Women in the Arts" retreat at the end of October. This was a great way to relax and meet other women from around the state in true fellowship and camaraderie. Next year

Women in the Arts will be October 24- 26 at the Ralph McMullan Conference Center at Higgins Lake. Take the time to consider attending this event next year. It is a fun event- even for the craft challenged - like me!

During November, the Nominations Committee will be preparing a slate of officers for the 2008-2010 biennium. As I mentioned last month, when asked by one of the committee members if you are willing to hold an office, remember our motto, "A ΔΚΓ member never says no to service!"

December will be Initiation of New Members. After the ceremony, meet and greet, and brief business meeting, Judi and Lynne (and probably Grace) are planning a fun activity they learned at Women in the Arts for us. Be sure to attend this meeting. I look forward to seeing you and your guests at the auction!
