## The G.A.B. "Let's Talk"

### President's Message

As we "spring forward" I look forward to our upcoming events. Our March 25th meeting with Gamma Gamma is a great opportunity to showcase our chapter organization. Bring a guest to learn about Teen Dating Abuse from Mu chapter member, Cheryl Cyran, at the Livonia Civic Center Library at 7:00 p.m. Those of you who are helping, can set up the refreshments at 6:30 p.m. with Debbie Ervin in Rooms A and B. Applications for the Grant-in-Aid are on our website under FORMS. [www.migammaalpha.org](http://www.migammaalpha.org) Applications are due March 31 to Debbie Ervin.

I also look forward to our Saturday, April 17th Metro Council meeting at Subu's. Please let me know if you'll be attending. I need to send in names for name tags at this event. Esther, Helen, and Cindy are in charge of coming up with some spring centerpieces for this event.

Our State Convention is April 30th - May 2. I hope you can share this event with Jackie and our chapter. The setting and the activities are inviting! Please try to attend.

After Convention, our chapter birthday dinner is on Wednesday, May 12th. We will be collecting donations for the service

project for the MCV at this time. See the minutes for details. We will install our newly elected officers:

**President:** Carol Anderson

**1st Vice President:** Mary Jo Dreffs

**2nd V. President:** Colleen Retherford

**Recording Secretary:** Carol Palk

**C. Secretary:** Jackie Smart

Many chapters in the state are having difficulty finding members to accept leadership positions. Thank you ladies for stepping up to the leadership challenge!

And finally, let me know, if you have not already signed up, if you want to attend the Tipping Point Theater on Thursday, May 13th, at 8:00 p.m. I'd like to get a final count. Let me know!

### Happy St. Patrick's Day!

### Teen Dating Abuse (7:00 p.m. - 8:00 p.m.)

Teen Dating Abuse is a pattern of abusive behaviors that are used to gain power and control over a dating partner. Unhealthy relationship behaviors can start early and last a lifetime. Dating abuse occurs when harmful behaviors are repeated, creating a pattern of violence. According to recent research from the Centers for Disease Control and Prevention (CDC), one in eleven teens report being a victim of physical dating violence. Even more startling, adolescents who report experiencing dating violence are also more likely to report binge drinking, suicide attempts, physical fighting and current sexual activity. Mu Chapter has developed an effective program for educating students about this serious problem. Invite your daughters, school administrator, counselor, and social worker to this informative session. **SBCEU Available**

Women have been impacting the history of aviation since the first hot air balloon crested the horizon, yet their accomplishments have gained little recognition in the memories of people worldwide. Only a few resources choose to acknowledge the huge influence women have had in aviation. A pioneer aviator, Jessie Lambdin, will take you on a journey through time to explore the history of women in aviation. Your spirit will fly free as you learn about forgotten heroines. Information from the presentation can be easily transferred to Social Studies classes.

**Membership  
Have You Been Honored?**

The Alpha Iota State Membership Co-Chair, Claire Rettenmund, has requested that we "have photos, articles, or clippings of members who have received honors or recognition in Delta Kappa Gamma or at their work or through an avocation or hobby."

If you have been honored and we don't know about it, please send me the articles, notes, photos, etc. to be displayed at the state convention.

**NATIONAL COMMON CORE EDUCATION STANDARDS**

The National Governors Association Center for Best Practices and the Council of Chief State School Officers have released the first official public draft of the K-12 standards as part of the Common Core State Standards Initiative, a process being led by governors and chief state school officers in 51 states, territories, and the District of Columbia. (Alaska and Texas are the lone holdouts having recently adopted and funded state standards.) These draft standards, developed together with teachers, school administrators and experts, seek to provide a clear and consistent framework to prepare our children for college and the workforce. These groups encourage those interested in the standards to provide further feedback by Friday, April 2, 2010, at [www.corestandards.org](http://www.corestandards.org). At that site you can subscribe to receive news about how the process is proceeding.

*Appreciation is like an insurance policy. It has to be renewed every now and then.*

### DKG Minutes for February 25, 2010

We opened the meeting with an Icebreaker provided by Donna Colaianne called Photo Scavenger Hunt. We had to find other members who had pictures of specific things in their wallets or purses. What a fun activity! It was amazing to see how many photos we carry with us! Nice job, Donna.

Our business meeting began with the Nominations Chairman, Lisa Austin. She presented the slate for the 2010 biennium:

<b>President</b>	<b>Carol Anderson</b>
<b>1st Vice President</b>	<b>Mary Jo Dreffs</b>
<b>2nd Vice President</b>	<b>Colleen Retherford</b>
<b>Recording Secretary</b>	<b>Carol Palk</b>
<b>Corresponding Secretary</b>	<b>Jackie Smart</b>
<b>Treasurer (appointed)</b>	<b>Cindy Dietz</b>

The membership voted and the slate of recommended officers for 2010 - 2012 was unanimously approved. Congratulations, ladies!

Next was a report from Esther about the upcoming Service Project we will be doing for the Methodist Children's Village. Esther has given us an "Undercover Assignment." The committee is asking everyone to donate items the boys might need when they are getting ready for bed: pajama bottoms, tee shirts, deodorant, small fleece throws, different types of underwear (boxer and briefs,) and books they can read before bedtime. We will let you know about sizes at a later date. Jackie is getting toothbrushes and toothpaste from her dentist. Got to keep those smiles bright! Times are tough for all of us, but let's think about how much tougher it is for the boys in the Village!

The next item we discussed is the upcoming presentation on **Teen Dating Abuse** on Thursday, March 25 at 7:00 p.m. at the Livonia Civic Center Library on Five Mile, east of Farmington Road. (NOTE the time change and venue change.) Please plan on attending and bring any friends/colleagues/family you can. Debbie Ervin is coordinating the refreshments. If you would like to contribute a munchies, please let Debbie know [dcervin@comcast.net](mailto:dcervin@comcast.net) The Plymouth-Canton chapter, Gamma Gamma, is helping out with some refreshments, too. Contact Jackie or Fran if you would like to have some extra flyers to place in your school or other areas. This is a VERY important subject and although you

personally may not have had experience with this growing problem you probably know of someone who has. Our speaker is an expert and can provide so much information that we may be able to pass along to anyone who needs it. Let's support our teens.

We all welcomed our newest members, Joanna Eiwien and Carol VandenBrul. Amy presided over the Initiation Ceremony for Carol Anderson who was ill. Amy did a great job. Welcome to both women! We are honored to have you in our chapter.

Just 4 reminders about upcoming dates...

**March 25 and April 17** Bring donations for our Picnic Basket that will be auctioned off at the State Convention. Be creative.

**March 31** Grant-in-Aid applications are due.

**April 17** Metro Council Luncheon (at Subu's from 11:30 -2:00. Cost \$25.00 for the same delicious dinner as we have at the auction) Thanks to Helen, Esther, Cindy, and Sandy for "volunteering" to do door prizes and table decorations. We will have more flyers at the March meeting. Bring donations for our Picnic Basket that will be auctioned off at the State Convention. Be creative.

**May 12** Birthday Dinner (always fun!) Flyers will be available at the March meeting, too.

**May 13** (yes, it's the next day) our trip to the Tipping Point Theatre. (It's a preview show so the cost is only; even cheaper if you are 62!) Let's enjoy a fun evening together.

### April 30 - May 2

State Convention in Traverse City - This sounds like lots of fun with great sessions. Let's support State Prez Jackie as she "does her thing". There will even be some extra entertainment provided by Judi Fisher and myself as we will be flag bearers for the Presidents' Banquet. That alone should be reason for you to come!! If not... there is 24/7 shuttle service to the casino. What more can you ask?

See you at the March 25 meeting!

Mary Jo Dreffs, Recording Secretary

## Research

### Why do you teach?

Apparently, teachers who are motivated mainly by intrinsic factors, so called "autonomous motivation", have a greater sense of personal accomplishment and fewer feelings of exhaustion. Perhaps more importantly, they promote autonomy-supported teaching which offers students choice and greater clarification of subject relevance. This type of teaching then is reflected in students' more positive feelings for the task at hand and greater behavioral engagement. The researchers for this study concluded with concern that the increase in high stakes testing would have a detrimental effect on these highly effective teachers by making them feel "less autonomous and consequently act in more controlling ways toward their students."

## Raffle Basket for Convention

We need to start thinking about our theme basket donation for the state convention. Bring some ideas to the March meeting. Last year we donated a beautiful gardening basket. Amy displayed the items in the basket creatively.
