

MINUTES

On June 28th Grace, Judy Kolassa, Carol Holland, Jackie, Barb, Marie, Joan Murray and Cindy met at Burton Hollow Swim Club. Grace announced that she and Judy Kolassa recently attended a Leadership Development workshop in Jackson and they are ready to lead Gamma Alpha into the new millennium. Jackie presented communications information at Saginaw and Canton's workshops. Barb Broadley attended the Canton workshop.

A calendar for the year was finalized. Although there are traditional activities we do, we felt it would be in keeping with the Enlighten/Empower/Enrich theme if committees took a greater role in planning the programs. We will have a break out session where members will sign up for committees and work in their group making plans. Committee sign-up is for two years. Marie has several contacts for speakers and tentatively lined some of them up. But committees have the final word in their program plans.

Grace has made arrangements for our meetings this year. We will meet at Dunleavy's. The menu looked good with reasonable prices and the restaurant is centrally located.

We also decided on an earlier starting time for meetings. Dinner will be at 4:30. Meetings will start at 5:30. If we show up on time, we can be out by 7:00 p.m. We listened to your suggestions and we obey!

The Audit Committee will meet in August and a budget will be presented in September for membership approval.

Abby Roach sends her regards from Florida. Abby will be changing residences and her new address will be in the Yearbook.

Respectfully Submitted,

Carol Holland
